

La Danse: Uniform Requirements

Please find below a list of all the dance wear selections for each class! Wearing the appropriate attire is important as it helps dancers get the most out of their training while also keeping them safe. Dancers should not wear jewelry into class as it can cause a safety issue while dancing. Please talk to a director if you require an adaptation to any of the uniform requirements.

We believe that if dancers feel good they dance well. We allow dancers the ability to select their leotard and dance wear colours/styles adding a splash of colour and sparkle to our classes! We are specific on shoe styles/ brands. We try to be exact at the beginning of the year to avoid families needing to buy different shoes at recitals, therefore please obtain the exact shoe style and colour listed below. The important information has been underlined. All dancers must wear the exact specified shoe style to participate in photos and recital/performances. Other information regarding tights and costume requirements for recital/competitions will come out before performances.

We suggest that all families obtain dance shoes and tights from Dance Street in Saskatoon. They carry all of our required shoes and tights and have our uniform list on hand to answer any question you may have!
